

Do you wish it was
as easy to lick your
creative, design
or marketing problems?

Clive Batkin
Marketing & Design Consultant

adding value to your business

It is now. . !

As an independent consultant, I have worked with numerous companies & organisations to help them achieve the maximum results from their marketing, design & creative operations.

Whatever your requirement I guarantee a professional, efficient & innovative service, with attention to detail second to none!

My services include —

Marketing Consultancy:

comprehensive planning, advice,
marketing audits, research

Design:

innovative & effective designs for marketing communications – brochures, prospectuses, leaflets & information sheets – for Corporate IDs, logos, letterhead & stationery, websites, animated e-cards, books

Copywriting:

clear & concise copy to effectively communicate your company aims & objectives, editing & proof reading to ensure consistency, clarity & style

A Single Point of Contact:

a wide variety of contacts including printers, photographers, illustrators, website designers, sign-makers. . . to name but a few!

— all tailored to meet your unique needs!

adding value to your business
